1	Sidewalk/crosswalk connections to Stony Point Shopping Plaza.
2	Sidewalks continue across Huguenot with crosswalks and walk lights.
3	Better care of Huguenot Road median. Mow, weed, etc.
4	Right turn lane from Buford onto Huguenot extended; traffic crossing Huguenot often blocks turning vehicles, even when green arrow lit for turn
5	Crazy intersection (Huguenot/McRae) lots of accidents due to multiple roads, business driveways to be aware of.
6	Potential conversion from residential to commercial/light office use due to frontage on Huguenot Rd.
7	Reconfigure intersection. Very busy before and after school. Speed bumps.
8	Push to walk button and crosswalk s at Buford and Forest Hill.

19	Regional commuter railroad (MPO study). Potential infill for ridership.
20	Improve safety of crossing RR tracks along Rockaway (crazy winding road).
21	Tracks crossing Rockaway Rd are very rough. Can those things on either side of the rails like the ones where Huguenot Rd crosses track at Robious be installed here?
22	Four way stop sign at Buford and Old Bon Air. (seconded!)
23	No left turn.
24	No left turn.

26	Sidewalks all the way from Jahnke to Huguenot.
27	Three way stop sign.

38	Opportunity for trail along creeks?
39	Used as cut-thru for Huguenot
40	There is a nice wooded area w/ a creek behind BAE . It runs to St. Michael's property. At one time that spot was suggested to be a mini park!!
41	McRae/Forest Hill very dangerous
42	Coffee and pastry shop!
43	Bolder paint for crosswalk
44	City sidewalk on West side of Forest Hill to connect

53	Could the name of Rockaway Rd be changed to Old Bon Air Rd, which it is now an extension of?
54	Dredge pollard pond at end of Quaker, would be a great public space as it once was.
55	Traffic jam. Buford and Rockaway.
